

World Church Administrators Survey 2013/2014

Introduction

- A survey of administrators employed by the Seventh-day Adventist Church around the world was conducted in the autumn of 2013.
- The sample was made up of Church administrators such as officers, associate officers, departmental directors, and associate departmental directors of unions and divisions.
- The total number of respondents n=560.
- A separate survey of administrators was carried out in autumn of 2012 for the evaluation of *Adventist World*, which included officers and departmental directors of conferences. Total number of respondents n=986
- This report draws mainly on the survey of union and division administrators, amplified by the wider survey at certain points, and by the 2013 survey of church pastors
