# Research & Evaluation

Facilitation, Supervision, and Support of Worldwide Adventist Research

Dissemination of Research data and Research findings

Facilitation, Supervision, and Support of Evaluations of Church organizations

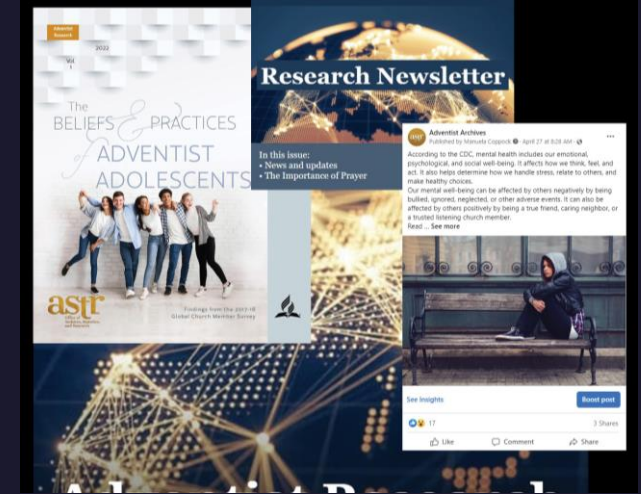

# Facilitation, Supervision, and Support of Worldwide Adventist Research

- Participation in strategic events and committees (e.g., Future Plan Working Group, Annual Council, LEAD conference)
- Organization of meeting with worldwide church leaders to gain their cooperation to conduct Research
- Organizing meetings with worldwide research teams
- Participation in event planning for Adventist researchers (e.g., AHSRA conference)
- Creating instruments, back translations for surveys to conduct research (LEAD survey, Annual council survey, GC Session survey), analyzing data, and create reports on research findings
- Supervise ongoing research (Institutional Worker Survey, Pastor Survey, Global Church Member Survey)

# Dissemination of Research data and Research findings

- Presentations of research projects and findings at various meetings, events, and conferences (Annual Council, Division meetings, Pastor conference, virtual and onsite camp meetings)
- Preparing articles on research findings for other publications (Adventist World, Review and Herald)
- Preparing and publishing of Research reports and PowerPoint presentations for the Public through the [Adventist Research website](#)
- Publishing blogs on Adventist research findings bi-weekly in English, French, German, Portuguese, Spanish, and Telugu
- Promoting Adventist research and research findings through our bi-weekly [Research Newsletter](#)
- Creating Social Media Posts on [Twitter](#), [Facebook](#), and [Instagram](#) - in English, Portuguese, and Spanish
- Publishing books on research findings from 2017-18 Global Church Member Survey (Volume 1, 2<sup>nd</sup> Edition, Interactive PDF version, Volume 2)
- Writing scripts for upcoming round table talk videos and podcasts

# Facilitation, Supervision, and Support of Evaluations of Church organizations

- Participation in strategic events and committees (e.g., Future Plan Working Group, Annual Council, LEAD conference) to develop relationships and promote understanding why Evaluations are important and necessary
- Organization of meeting with worldwide church leaders to gain their cooperation to conduct Evaluations
- Provide tools for evaluation (Evaluation manual and handbook)
- Creating awareness and training on how to proper conduct evaluations at events (e.g., virtual camp meetings, Advisories)
- Facilitating and Supervising Evaluations of Church institutions (Hope Channel, AWR, and AR)
