The Southern Asia Division: Members Living in Community

Are you an active member of your community? Do you participate in church activities or ministries of your local church? If you are volunteering in your community or participate actively in your church, you will probably agree that such activities create joy - not only for us but also for others. Such involvement gives us a sense of fulfillment. Spending time with others, supporting each other, and caring for each other creates community, a vital component in our Christian walk. Hebrews 10:24-25 reminds us of its importance. Today we explore research findings from the Southern Asia Division (SUD) regarding this topic.

COVID-19 has been impacting all of us. Maybe you have been blessed by working from home, maybe you feel sadness due to the loss of a loved one.

While we are facing different situations, let us remember God's promise in Isaiah 41:10 (NLT):
"Don't be afraid, for I am with you. Don't be discouraged, for I am your God. I will strengthen you and help you. I will hold you up with my victorious right hand."
